HIMORANDUM FOR: Acting Director of Central Intelligence

: Clifford D. May, Jr. ∴ KOM

Director of Data Processing

SUBJECT : Participation in ODP Conference

Dear dr. Moche:

I was pleased to learn from Rosemarie that you are able to accept my invitation to speak to the ODP staff during our annual Office Conference. We hope to have a group of about 300 in attendance on 18 march, our opening day. The following schedule has now been confirmed for this day.

> 1300-1315 hrs. Opening Remarks - Mr. May, D/ODP 1315-1400 hrs. New Directions for CIA - Mr. Mnoche, Acting OCI

1415-1500 hrs. The Intelligence Community - Gr. STATINTL

McMahon, AD/BCI/IC

1515-1600 hrs. CIA Refresher -Briefing Officer/OTR

Regarding ideas you might want to cover in your talk, I feel sure that you have a perception of some of the concerns of young middle managers and representative groups of employees regarding the future of the Agency, particularly as it may be influenced by the new administration, Congress, and our new Director. May comments you would care to make in this area would be of great interest to us. In an area closer to home, we are very interested in the LAG consideration of the four MOP issues that you have identified. While I realize that much work is needed before these issues are resolved, we would be interested in your personal views on these issues. What makes them issues? What are your views on ADP, both in the ODP context and Agency-wide? Finally, you might look into your crystal ball and give us your views on what you consider to be the major challenges facing the agency.
